

AUCTION GENERAL INFORMATION - AUCTION EVERY TUESDAY AT 11 A.M.

No Registration Fees. If You Don't Sell, You Don't Pay.

Over the past 20 years, Capital Auto Auction has owned and operated a very successful auction in Raleigh, North Carolina. In 2002, to meet increasing growth needs, we relocated to a 107-acre site in Youngsville, North Carolina, (just north of Raleigh) and built a six-lane, state-of-the-art facility, including a full reconditioning center. We would very much like the opportunity to demonstrate to you that Capital Auto Auction is an ideal place to effectively liquidate a portion of your off-lease, fleet, and trade-in vehicles.

Additionally, our state-of-the-art facility features full restaurant service, audio/video recording in all lanes, computerized lanes, and fully manned reconditioning center.

Capital Auto Auction has many international and nationwide buyers and sellers. We are a DEALER ONLY sale and are a member of the National Auto Auction Association and the Southern Auto Auction Association.
